1 intermediate or high school level?

2 A. No.

3 Q. Have you ever been employed to  
4 prepare a policy for any school district,  
5 any public school district? And I'm going  
6 to refrain that to a school district that  
7 is, you know, elementary, intermediate or  
8 high school level.

9 A. No.

10 Q. Okay. Have you ever been  
11 employed to prepare a policy at the  
12 university level?

13 A. Yes.

14 Q. When was that?

15 A. In roughly around 1980. And  
16 then I helped -- I was on the committee  
17 that wrote the university's initial sexual  
18 harassment policy. And then I served to  
19 review policies and make recommendations --  
20 subsequent revisions to that policy over  
21 something like seventeen, eighteen years.

22 Q. What was the name of that  
23 committee?

1 Q. Is that the only input you have  
2 ever had on any institution's sexually  
3 policy?

4 A. You mean as an educational  
5 institution?

6 Q. Correct.

7 A. Yes.

8 Q. Okay. Have there been occasions  
9 where you've had input in other  
10 institution's sexual harassment policy?

11 A. Not of an educational nature?

12 Q. Correct.

13 A. Yes.

14 Q. Okay. What institutions were  
15 those?

16 A. I have been hired as a  
17 consultant twice by -- once was by a local  
18 business to review their policy and make  
19 recommendations to them. And also to a  
20 social service agency as well to make  
21 recommendations.

22 Q. When you were hired as a  
23 consultant on those two occasions, were you

1 those.

2 A. Okay.

3 Q. And I believe you testified  
4 earlier that you have provided testimony in  
5 other cases in regard to other school  
6 districts' sexual harassment policy,  
7 correct?

8 A. Yes, one other case about a  
9 school district. And then another case  
10 that would have been the -- the one about a  
11 -- which was -- that wouldn't be a school  
12 district, but it was a school setting.

13 Q. What was the other school  
14 district besides Chalkville?

15 A. Walker County Board.

16 Q. And so this case, the Chalkville  
17 case and the Walker County Board case, are  
18 the only three cases in which you've  
19 provided your opinion as to the adequacy of  
20 a school district's sexual harassment  
21 policy?

22 A. Yes. Oh, no. I'm sorry. That  
23 I've given testimony. Was that -- did you
